

## Strawberry Crest Music Boosters Corporate Sponsorship Tiers

The Strawberry Crest Music Boosters is an organization dedicated to supporting the Strawberry Crest High School (SCHS) music department, including marching band, orchestra, color guard and jazz band. We are a non-profit 501(c)3 organization that seeks to provide opportunities to students to have an enriching musical education and opportunities beyond what the local schools are able to supply. The school district of Hillsborough county and SCHS provide less than 10% of the program's total operating expenses. The rest of the budget is funded by student fees and fundraising. We are seeking business and individual sponsors to help reduce the financial burden on our 200+ students and enable the Music Boosters to better support these music department programs.
